# YOUTH

“**Y**OUTH is not necessarily a time of life—it is a state of mind. It is not a matter of ripe cheeks, red lips and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions; it is a freshness of the deep springs of life.”

And, an expression of youth is the School Annual—a keepsake that tells in word and picture of all the happy memories of bygone years. A keepsake in which we thoroughly enjoy our part—the designing and printing of your publication—that it may attractively portray and long preserve these memories.
