

1 I conjecture that the
bronze cup was carried by an
officer or a volunteer to distant
still dangerous Belgium the
wilderness and proper years in
which only scratched with
freedom + effects of Julius
Caesar and thereby depicted
by Augustus Augustus and his
Julio-Claudian Successors,
looking over city as the
eye of London. That elegant
soul was had to have a place
to name himself a the
silverware that in imitation of
Greek Symposium zone
Rome's held in the 4
—, but the more
dramatic in the circle
Julius + oval and New
Successors might had admitted
constituted address the.

2 When Ron Hubbard
visited the museum
a change of the museum
there wouldn't let him
see it. Now since they
get allowed it ~~to~~ be
photographed. That
museum would be
renovated, the
Veronics. It ~~stands~~
